## design Santa Fe

[Design Santa Fe](#)... is a not-for-profit group composed of New Mexico licensed interior designers, interior designers, architects, students and associated trades professionals.

[Design Santa Fe](#)... organizes and facilitates an annual forum where interior designers, design students, trade professionals and the public gather to dialogue and exchange ideas embracing both traditional Santa Fe design and current global design innovations; attend presentations by national and internationally recognized interior design industry professionals; and tour homes and facilities designed by local interior design professionals.

[Design Santa Fe](#) aligns itself with a charitable organization each year. For 2009, we are continuing with our efforts to benefit the Youth Shelters Transitional Living Facility in Santa Fe. We earmark both financial contributions and dedicate our time and expertise towards the design and creation of the interior spaces of this important new facility to house homeless teens in Santa Fe.

The 5<sup>th</sup> annual [Design Santa Fe](#) event is shaping up to be our best ever! [The Dialogue](#) will feature four very inspirational creators and innovators on the national and international design scene. The [Home Tour](#) will feature some of the city's brightest interior design talents and will shed light on the process that goes into creating a home for clients.

[Dialogue, Luncheon, and Home Tour](#) – Friday, October 2<sup>nd</sup>, 2009 [Santa Fe Farmers Market](#)

[Home Tour](#) – Friday and Saturday, October 2-3, 2009

[Industry-Sponsored Evening Receptions](#) – Thursday, Friday, & Saturday, October 1-3, 2009

We hope you will mark your calendars for this important annual event, and most importantly – consider supporting [Design Santa Fe](#).

Good design and Good will – we appreciate your support.
